

The B1 Mastery Roadmap

An extensive 28-day, step-by-step curriculum to achieve conversational fluency, master advanced sentence mechanics, and dominate the B1 Goethe Exam.

Core Past & Daily Narratives

WEEK 1

DAY 1

Perfekt Construction: Master *haben* vs *sein* auxiliary verbs with the 50 most common irregular past participles (e.g. *gegangen*, *geblieben*, *gelesen*).

DAY 2

Präteritum Rules: Understand that *Präteritum* is generally reserved for written storytelling and formal news, with three massive exceptions for spoken German: *haben*, *sein*, and *Modal Verbs*.

DAY 3

Past Modals in Action: Drill scenarios using *musste*, *wollte*, *konnte*, *durfte*, *sollte*. Understand the nuance difference between "Ich habe gewollt" and "Ich wollte".

DAY 4

Vocab Expansion: Travel: Lexicon for booking flights, navigating train stations, describing delays (*Verpätungen*), asking for directions, and finding accommodation.

DAY 5

Vocab Expansion: Living: Lexicon for apartment hunting, speaking to a landlord (*Vermieter*), and daily household chores (*Hausarbeiten*, *abwaschen*, *staubsaugen*).

DAY 6

Reading Comprehension: Apply Days 1-5 by translating and analyzing a German blog post about an adventurous trip that went wrong.

DAY 7 SYNTHESIS

Written Checkpoint: Write a 150-word diary entry narrating last weekend using *Perfekt* for verbs and *Präteritum* for your modals seamlessly.

Connecting Complex Thoughts

WEEK 2

DAY 8

Subordinate Clauses (Dass & Weil): Learn the "verb-kicker" mechanics where the conjugated verb moves to the end. Differentiate between spoken "weil" and written "da".

DAY 9

Subordinate Clauses (Ob, Wenn, Als): When to use *ob* (whether) vs *wenn* (if). Crucial: Distinguish *als* (past one-time event) vs *wenn* (repeated event or future).

DAY 10

Adjective Declension (Nom/Acc): Memorize the grid endings for adjectives standing before a noun (e.g. *Ein schnelles Auto, der heie Kaffee*). Focus strictly on Nom and Acc.

DAY 11

Vocab Expansion: Work & Career: Lexicon for job interviews, reading *Stellenanzeigen* (job adverts), writing formal emails, and navigating office culture.

DAY 12

Vocab Expansion: Health & Body: Naming body parts, scheduling doctor appointments, and accurately describing symptoms (*Schmerzen, Grippe, Erkltung*).

DAY 13

Listening Comprehension: Listen to authentic dialogues of doctor-patient interactions and job interviews to attune your ear to subordinate flow.

DAY 14 SYNTHESIS

Spoken Checkpoint: Record a 2-minute mock phone call to your boss explaining exactly why you are sick, what symptoms you have, and when you can return, heavily prioritizing *weil* and *dass* clauses.

Nuance, Flow & Perspective

WEEK 3

DAY 15

Relative Clauses basics (Nominative): Linking details flawlessly using *der, die, das* (e.g. *Der Mann, der dort steht...*).

DAY 16

Relative Clauses (Acc/Dative): Mastering advanced linkers (*Das Auto, das ich kaufte* vs *Die Frau, mit der ich spreche*).

DAY 17

Dative Adjective Endings & Prepositions: Drill the "-en" blanket ending for ALL dative descriptors. Memorize two-way prepositions requiring dative vs accusative heavily.

DAY 18

Plusquamperfekt: The Past of the Past. Using *war* or *hatte* + Partizip II. (e.g. *Nachdem ich gegessen hatte, ging ich schlafen*).

DAY 19

Vocab Expansion: Media & Tech: Talking about social media habits, smartphone usage apps, and online shopping risks (*Datenschutz, herunterladen*).

DAY 20

Vocab Expansion: Environment (Umwelt): Lexicon for climate change, recycling (*Mülltrennung*), pollution, and community sustainability initiatives.

DAY 21 SYNTHESIS

Media Analysis: Watch a short German news clip (Tagesschau) about an environmental policy. Summarize its timeline by chaining compound sentences and relative clauses.

Advanced Expression & Exam Polish

WEEK
4

DAY 22

Das Passiv Präsens: De-prioritizing the actor (*werden* + Partizip II). E.g. *Das Haus wird gebaut* (The house is being built).

DAY 23

Das Passiv Präteritum: The past passive (*wurden* + Partizip II). E.g. *Das Haus wurde 1990 gebaut* (The house was built).

DAY 24

Konjunktiv II (Wishes & Politeness): Forming hypotheticals using *würde*, *hätte*, *wäre*. Critical for requesting things professionally. (*Ich hätte gern*, *Ich würde lieber...*).

DAY 25

Exam Prep: Arguing & Opinions: Memorize the absolute best phrases to express a viewpoint (*Meiner Meinung nach...*) and disagree politely (*Da bin ich ganz anderer Meinung*).

DAY 26

Exam Prep: Picture Description & Planning: Drilling the specific B1 module where you describe an image (*Im Vordergrund sehe ich...*) and plan an event with a partner.

DAY 27

Exam Survival Mechanics: Fillers (*naja*, *quasi*, *sozusagen*), transition words (*allerdings*, *trotzdem*, *deshalb*) to buy your brain time while speaking during the exam.

DAY 28 SYNTHESIS

B1 Final Mock Test: Execute a fully timed mock speaking test addressing a controversial societal topic. Defend your opinion strongly utilizing Konjunktiv II for politeness and strong connective clauses.
